

Swiss Reinz International

<https://www.swissbath.in/>

Swiss Reinz International is engaged in manufacturing and supplying a wide range of **Shower Enclosures, Acrylic Bathtubs** and **Bath Tub**. Our offered range is known for high strength, easy installation.

About Us

We had started manufacturing business in the year 1996 with a goal to produce and present top quality bathing luxury products such as Bath tubs, Jacuzzies, Shower enclosure, Steam sauna, Chill etc. As the business grew we increased our product range and diversify in other areas also. For years now we are successfully making spa, swimming pool, planters, Dustbins, Glass Reinforces fibre grill, Multifunctional bath, Water tanks for house and hotels.

Mr. Rajeev Joshi is a mechanical engineer with lots of experience in working with American and Japanese people is the M.D. of the company.
